

Roc Bernadí Forns

Race Car Mechanic

Motorsport mechanic experienced in GT, rally and electric racing, supporting professional teams in high-pressure environments. Formally educated at Monlau Motul and having matured through hands-on experience in competitive race settings, I bring well-rounded practical experience in vehicle preparation, suspension systems, pit stop execution and high-voltage safety procedures. I work with discipline, technical awareness and respect for structured team dynamics, contributing to performance, reliability and efficiency both at headquarters and trackside.

To whom it may concern:

It is a pleasure for me to recommend Roc Bernadi Forms as a racing mechanic. Roc was part of Madpanda Motorsport SL. from March 2024 to December 2024.

I would like to recognize him as a truly valuable asset to any work team. He is honest, reliable, and incredibly hardworking. Beyond that, he possesses an adaptability that provides him with competitive advantages.

Together with his talent, working with Roc has been an extraordinary experience. Without a doubt, I confidently recommend Roc to join your team. As a responsible worker and versatile person, I know he will be a great addition to your organization.

Do not hesitate to contact me at manager@madpandamotorsport.com if you wish to discuss Roc's qualifications and experience further. I would be happy to elaborate on my recommendation.

Sincerely,

Francisco Tomás Moore
